Preventative Maintenance & Procedure Report (Maintenance Control Records)

(10/02/2014 to 10/02/2014)

These records are being provided to you in accordance with the latest elevator code and it is the building's responsibility to retain a copy of these records.

The Preventative Maintenance & Procedure Report represents all the preventative maintenance, repair work and service call work done by unit. It provides the date the work was completed as well as a brief description of the procedure.

Contract: NKB05365

Building: MOAKLEY COURTHOUSE NKB473294
